47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer and I support broadband competition. I want you to continue to allow third-party ISPs to provide service over existing wires.

I am in an area with only one Internet access provider. We are in desperate need of more competition in my area.

The cost of existing Internet access is very expensive and more competition will bring down prices. Thank you for listening to an American consumer.
